SUMMARY

Aspiring web developer pursuing a B.Tech in Computer Science with a strong foundation in full-stack development. Proficient in HTML, CSS, JavaScript, and ReactJS for front-end development, complemented by expertise in back-end technologies like Node.js and database management. Hands-on experience in building responsive and user-friendly web applications through academic projects and internships. A self-motivated learner with a passion for staying updated with the latest web development trends and best practices. Seeking an opportunity to leverage my technical skills and contribute to creating exceptional digital experiences.
